

East Europe Wind Summit

Harnessing the Power of Wind in Eastern Europe

June 14 - 15, 2012, Bucharest, Romania

East Europe, spear headed by Romania, is leading the world in wind farm development. With the new energy law passed by Romania, investors and owners are collaborating to quickly develop new wind farms.

Green certificates are driving the development of Eastern European wind development. The East Europe Wind Summit will bring together government officials, wind farm owners, developers and industry specialists to discuss the current status and future direction of wind energy in Eastern Europe.

Wind Series Speaker

Prof. Tanay Uyar

President

Eurosolar Turkey

Vice President

World Wind Energy Association (WWEA)

Zeki Eris

CEO

Polat Energy

Dr. Haci Duran Gokkaya

General Director

TETAS

Luis Adao de Fonseca

CBO

EDP Renovaveis

Luca Lazzaroli

Director South East Europe

European Investment Bank

Michael Davey

Director

European Bank for Reconstruction and
Development

Dr. Anil Kane

President

World Wind Energy Association (WWEA)

Andy Kinsella

CEO, Offshore

Mainstream Renewable Power

Kyung Seop Han

Director, Wind Energy

Ministry of Knowledge Economy, Korea

Testimonials

☺ *"Great presentations and quite good organization."*

Bonfiglioli Riduttori S.P.A.

☺ *"Excellent choice of topics and speakers. The feature of facilitating B2B meetings is very valuable."*

Canadian Consulate

☺ *"An international conference on local market development"*

FORCE Technology

☺ *"Interesting and good for networking"*

EDP Renováveis

☺ *"Exchange of know-how and information was excellent"*

ONE-to-ONE BUSINESS MEETINGS

Provide VIP networking to help you do business

PANNEL DISCUSSIONS

Hear from the experts and ask them your questions to gauge your strategies.

ORGANIZED LUNCHES/DINNER

Be part of a uniquely designed dinner with top-level representatives from government and industry.

NETWORKING TEA BREAKS

Network with executives and officials in a relaxed environment.

Day 1

08:15 – Registration and Morning Tea

08:45 – Welcome Address from Noppen

08:55 – Opening Speech from the Chairman

Overview of the Wind Energy Sector: Issues and Challenges

09:00 – Detailed Analysis of the Renewable Energy Law and its Meaning for the Romanian Wind Energy Market

- Taking a closer look at green certificates and how they impact the market
- How foreign companies can profit from Romania's green initiatives

10:30 – Networking Tea Break and One-to-One Meetings

11:00 – Focus on Poland

- Large scale vs. Mid-scale: Which type of wind farm is best
- Future forecasts for the Polish Wind Energy Industry and who will prosper

12:30 – Luncheon and Networking

Funding Initiatives

14:00 – Funding Initiatives – Finance Innovation for Projects, Businesses & Technologies

- Large scale project development and financing models
- Funding initiatives and regulations

15:30 – Networking Tea Break and One-to-One Meetings

16:00 – Role of EU in the Eastern European Renewable Energy Sphere

- EU targets for renewable energy: What this means for future growth
- EU regulations and guidelines

17:30 – Closing Remarks and End of Day One

Day 2

08:15 – Registration and Morning Tea

08:55 – Opening Speech from the Chairman

Understanding the New Technologies in Wind Farm Development

09:00 – Technological and Operational Challenges in the Wind Industry

- Land: Analyzing wind data and acquiring the right parcels
- Connecting to the grid: Guaranteeing efficient energy flow

10:30 – Networking Tea Break

11:00 – Industry Trends in Wind Turbine Engineering

- From designing to testing to installing – professional review on the trends
- Introducing fresh winds in turbine design
- Optical technologies: the future is already here

12:30 – Luncheon and Networking

Global Partnerships

14:00 – Improving the Wind Power Supply Chain – Reducing Production Cost & Increasing Efficiency

- Collaboration between solution providers
- Vertical integration across the value chain of turbine manufacturing

15:30 – Networking Tea Break

16:00 – Develop Effective Communication & Global Knowledge Sharing

- Increasing the renewable energy supply by creating global awareness in the wind energy sector
- Strategic partnerships with global industry players

17:30 – Closing Remarks and End of Day Two

East Europe Wind Summit

CANCELLATION AND SUBSTITUTIONS

▶ Fees are in inclusive of event materials and refreshments.

▶ Payment Terms: Following completion and return of the registration form, full payment is required within 5 days from receipt of invoice. PLEASE NOTE: payment must be received prior to the conference date. Due to limited conference space, we advise early registration to avoid disappointment. A 50% cancellation fee will be charged under the terms outlined below. We reserve the right to refuse admission if payment is not received on time.

▶ Cancellation/Substitution: Provided the total fee has been paid, substitutions at no extra charge up to 5 days before the event are allowed. Substitutions between 5 days and the date of the event will be allowed subject to an administration fee of equal to 10% of the total fee that is to be transferred. Otherwise all bookings carry a 50% cancellation liability immediately after a signed sales contract has been received by Noppen (as defined above) Cancellations must be received in writing by mail or fax six (6) weeks before the conference is to be held in order to obtain a full credit for any future Noppen conference. Thereafter, the full conference fee is payable and is non-refundable. The service charge is completely non-refundable and non-creditable. Payment terms are five days and payment must be made prior to the start of the conference. Non-payment or non-attendance does not constitute cancellation. By signing this contract, the client agrees that in case of dispute or cancellation of this contract that Noppen will not be able to mitigate its losses for any less than 50% of the total contract value. If, for any reason, Noppen decides to cancel or postpone this conference, Noppen is not responsible for covering airfare, hotel, or other travel costs incurred by clients. The conference fee will not be refunded, but can be credited to a future conference. Event content is subject to change without notice.

▶ Copyright etc: All intellectual property rights in all materials produced or distributed by Noppen in connection with this event is expressly reserved and any unauthorized duplication, publication or distribution is prohibited. Important note: While every reasonable effort will be made to adhere to the advertised package, Noppen reserves the right to change event dates, sites or location or omit event features, or merge the event with another event, as it deems necessary without penalty and in such situations no refunds, part refunds or alternative offers shall be made. In the event that Noppen permanently cancels the event for any reason whatsoever, (including, but not limited to any force majeure occurrence) and provided that the event is not postponed to a later date nor is merged with another event, the Client shall receive a credit note for the amount that the Client has paid to such permanently cancelled event, valid for up to one year to be used at another Noppen event. No refunds, part refunds or alternative offers shall be made.

▶ Governing law: This Agreement shall be governed and construed in accordance with the law of P.R.C and the parties submit to the exclusive jurisdiction of courts in Shanghai. However Noppen only is entitled to waive this right and submit to the jurisdiction of the courts in which the Client's office is located.
